Hello. I'm fine with it, but maybe also add something saying that we would like the data in .xls or .csv format, otherwise he will probably continue to send .pdfs.

Thanks,
Katie

Katie,

Thinking about sending the below email to David, let me know your thoughts. They continue to send us PDF's which make it impossible to sort and compare, but this time they even left the unit numbers off so we can't determine whether we have a contract there or not. I think they are dragging their feet.

Cheryl

David,

We have reviewed your submission and found that there are no unit numbers on this report, we are therefore unable to use it. As we have discussed previously, we need this information to perform our due diligence to complaints that have risen to our office as
